and Louis rejoiced.

But after several days, the joy did not last,
but he received the sad news that his father
had an accident in the factory where he
works.

He was taken to the hospital and Lewis
hurried off

He saw his father In good condition, and
he was not discharged from the hospital

shocked by the news that her father had
entered the hospital, and she left Berlin
and returned to Leipzig to check on him.

And Louis ran back home, looking frightened, and Elvia asked him what had happened. Are you sad about what happened before?

Answer: I need some sleep and I left it

But she is the doctor, a cardiac surgeon at the center, and one of the patients saw her screaming for her.

Where is he now?? And why didn't anyone tell me about it?

Nurse: Over there In that room

Caroline: Take him to the operating room!!

Happy Lewis, and as he was going to the room, I told him to wait in the waiting room until the process was finished.

While he's waiting, Jamie and Olivia arrived at the station and met Louis and talked to him, Where's my dad?!

He said: Louis Is in that room number 23.

She said: Is he okay?

He said: He needs an operation!! But don't worry he'll be fine and you hug him

Caroline is out of the operating room

His condition Is critical and I will do my best to treat him.

3 hours later, I told Caroline

He has rapper Bob's hair that he hasn't cut since that trauma

Louis and his sister have a new home in Berlin

One day, Lewis went to work and was met by the business manager of the company, and the director of the company liked Mr. Lewis very much and his voice as he was singing, and he was heard by the business manager of the company called Mr. Davis

And after Lewis was finished, he looked at Mister Davis because...

He was watching at Louis from behind the window

"May I come In, Mr. Lewis?" said Davies

Louis: Yes, you can

Enter Davis

Lewis says: Sit Mister??

Davis: My name Is Davis Park, the largest businessman in Germany

Lewis: What brings you here, Mr. Davis?

Davis: I heard that you are a talented young man

Louis: So what?

Davis: I want to make an offer that you will never refuse

Louis: It doesn't matter, tell me what you have

Davis: I offer you a contract of employment In my company. I will create the album, and you will sing. You will get

10% of yesterday. What do you think, Mr. Lewis?

Lewis: What 10% I want at least 50% man

Davis: That's impossible

Lewis: You can leave and while Davis is going he stops and says, "I'll give you 30% of the profits."

Louis: I don't want a man, let's go

Davis: I'll give you 40% of the profits

Lewis: Let me think

Davis: Of course, I'll give you three days

Louis: Alright

Davis: See you later

Louis comes home, takes off his coat, and Jimmy prepares the table for dinner

After they have dinner, Lewis talks to Jimmy about his contract with Mr. Davis and that he will take 40% of the profits.

I dream and laugh

Louis smiles in front of her and then goes to the room to sleep

Then he thinks that he did not want to accept the offer from Mr. Davis, but his sister was happy to forget him the offer and forced him to accept Davis' offer

Three days later:

Lewis called Mr. Davis Park to tell him he agreed to work with him

Davis: Hey boy, well done

Lewis: When should I start working?

Davis: First you have to sign a contract

Davis: Rest, Mr. Lewis

Davis: Shall I offer you a soft drink or do you like tea?

Lewis: I don't want anything, just bring the contract to sign

Davis: He calls his secretary, but she doesn't come, and here's the shock, and he calls her by her name, Madame Caroline Caroline.

Lewis: What did you say now? What's your name?

Davis: Caroline, why do you know her?

Louis: No, but I've heard that name before. It must be not her

Lewis: Please bring the contract

Davis: He calls the worker at his company and brings the contract

Lewis: He starts reading It and after a quarter of an hour he signs the contract after thinking about Caroline's name

Davis: Congratulations, congratulations, Mr. Lewis

Louis: I have to go now

Davis: Where are you going to have dinner?

Lewis: Next time, thank you, Mr. Davis

Louis comes home sad and remembers Caroline

He enters the house and Jimmy prepares dinner but he refuses to eat dinner due to sadness and suddenly Louis hugs

His sister vigorously and bursts into tears

Jimmy knows that Caroline is crying and decides to look for her and find out why she went and got married without telling Louis

Early in the morning Jimmy went to Leipzig and left a message for Louis on the table

Hi Lewis, good morning. Do not get angry *

Brother, I'm going to Leipzig, I'll be back

after a week . Watch yourself until I get back

*Bye brother, I love you so much. Jimmy @ *

Louis hits the wall and decides to call Jimmy but she doesn't answer the call becausee she's at the airport

And the plane took off

After 2 hours and 55 minutes Jamie arrived In Leipzig to her father's house

Louis calls his mother but she doesn't answer and he tries to call his father's phone but before that she calls Jimmy and he answers the call

Lewis: Jimmy, where are you now?

Jimmy: I'm In Leipzig, I'm back home

Louis: Why did you go to Leipzig?

Louis how are they Jimmy: It's okay they have lunch

Jimmy: Brother, I have to go now, bye, I'll call you later

Louis: Bye I love you so much

Jimmy: Me too

Louis goes to his room and lays down on the sofa and looks at the ceiling of the room thinking of Madame Caroline and remembering all the times he spent with her and thinking about her so much Louis falls asleep

Early in the morning, Louis prepares to go to his first working day at a company.

When Louis arrives, he meets by chance a girl who looks like Caroline, but thinks that he is delusional because he misses her.

Lewis shouts to Mister Davis!!

Lewis: Hello, Mr. Davis

Davis: Hi Louis, how are you?

Louis: I'm fine, I'm fine

Davis: Are you ready for work, man?

Lewis: Yes, absolutely ready

Davis: He calls his secretary Caroline, and here the surprise was that the secretary Is called Caroline, and she is the doctor Caroline herself, and not only that, but Caroline is a secretary and wife to Mister Davis

Louis gets shocked and hits the table

Davis: Do you know Caroline?

Louis: He doesn't talk

Davis: Caroline, do you know Louis?

Caroline: Don't talk or say anything

Davis: What the hell happened to you two?

Davis: He says to Louis, I'm paying you, and you have to answer my questions. You work for me

Lewis: He doesn't say a word and It seems that he went into shock and went quickly and hugged Caroline and said, "Where did you go? I looked for you a lot and didn't find you, and some people talked that you got married."

Caroline: I'll tell you everything, but not now, Louis. I love you so much, and I want to be with you always

Davis: He assaults Caroline and pushes her against the wall and tells her that you are mine and mine alone

Lewis: Get away from her, Mr. Davis

Davis: He doesn't walk away and recklessly hits Caroline with a slap In the face that throws her to the ground

Lewis intervenes and beats Davis and the security guards enter and handcuff Lewis

Davis: Move him to room 76 .

Caroline hears that Davis Is planning to lock up Louis in the warehouse or M called Room 76

Caroline escapes and Is pursued by Davis' followers

Caroline has nowhere to go so she decides to go to Louis' house

She arrives at the house after escaping from Davis' group and enters the house and searches for Jimmy's phone number to call her, but does not find it, so she decides to go to Lewis' neighbor and fetch Jimmy's phone number from the same boy that Lewis beat up In the past named Frank Ricard, and Caroline tells him that the life of his neighbor Lewis Is in danger and Frank says Oh my gosh that punk he got his punishment he beat me up a few days ago

Caroline, I will beat you up too If you don't help me

Frank Well what's with this crazy family

Caroline calls Jimmy and answers the phone

Yanukovych: Come in, Davis is waiting for you inside

Caroline: Come on in

Jimmy: You get a call... Jimmy says to Caroline

Caroline: Yes, the money Is with us

Davies: claps his hand to the guard, bring Louis here

The guard comes with Louis, but Louis is handcuffed

Caroline: untie him, you punk!

Davis: Give me the money first

Caroline gave the bag to Davis and said untie Louis

Louis was untied and Davis started checking money but the bag was full of books

Caroline starts laughing at him, Davis gets angry and Louis threatens to kill Jack

But Jimmy and the police Intervened after they tied up the guard, Yanukovych

The policeman says to Davis, put down your weapon at once
